Dear parents,

I have been able to get one concession stand for this fall season. The funds raised at these events will be used to help offset some of the costs incurred when the students take their field trips. Without the concession stand profits supplementing the transportation and fee costs, we would not be able to take the field trips. Each level earns a field trip every other year. This year is the elementary school's year, but I encourage middle school and high school students to participate in these concession stand events as well. Middle school and high school students are especially needed for the second shift of the evening.

The concession stand is for a football game. I would hope that many of the students and parents would be willing to sign up for at least one of the work times. The football concession stand is the South (visitors) concession stand.

_____ (son/daughter's name) has my permission to work the following time(s):

September 23, Friday - Football game (south concession stand)

___ 6:00 – 7:30 p.m.

___ 7:30– 9:00 p.m.

___ I/We plan to help also. _____ (names)

The tasks the students will be asked to do includes the usual concession tasks: filling pop, serving candy bars, pizza, fruit, popcorn, walking tacos. Adults or high school students will be in charge of running the popcorn machine or any other hot appliance.

Plans are started for the elementary field trip. The high school students will begin planning their trip for the 2012-2013 year after Christmas break. Not only will these concession stands make our field trips more affordable for the students and our ACSD TAG program, but will also give the students an opportunity to apply the people skills that are discussed in class and, I'm sure, in your home.

If you have questions, please contact me at 295-7207 ext. 235 or at home 295-3255, or email me at <cvandeventer@algonia.k12.ia.us>.

Sincerely,
